Stalls must be set up no later than 8.30pm. Stalls can be dismantled prior to closure however vehicles can not be onsite until after 2pm. Sites are allocated on a needs basis, so all vehicles are to be escorted on or off-site. Depending on space there will be no vehicles allowed on-site to park unless with permission from Viv or Kay. Please do not remove any road closure equipment.

All stalls need to fill in this registration form. ONLY Food stalls need to fill out the appropriate council form application. This can be either emailed to kayhenare@icloud.com or dropped off at Raetihi Information Centre by 28 November, 2022.

A single table is a 2 metre table. If you take up more than this space then you will be deemed as a **double** space and be charged as such. You are required to set up a 3mx3m gazebo if you are not utilising the allocated shelter spaces on the street.

We encourage you to wear a face mask in crowded places.

Please leave no rubbish behind when you leave. Bring sufficient bags, half broom etc to tidy your area upon closing of your stall. Please encourage recycling as much as possible.

Remember to bring enough money change for sales.

Please retain this for your information.
